1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of Palmetto Utilities.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I am strongly opposed to Palmetto Utilities' request for a sewer rate hike. Any increase to my sewer bill would impose an undue burden and create a financial hardship. Further, any increase to my sewer bill would be unfair when considering that my usage has not increased. And there is the fact that I

live alone and why should I pay as much as a household of 2 or more people. It is not fair plus I am a 70-year-old woman and my income is very limited.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

Yes, I wish to appear at a hearing in this proceeding and offer sworn testimony.
